Department of Economics
Personality Development Programme-2021

In pursuance of the action plan set by the Department in collaboration with the IQAC cell, a webinar was organized under the Personality Development Programme (PDP) on the 29th July, 2021 (Thursday) through online mode with 150 participants. In this webinar, the resource person inculcates students - the importance of Agri-Business, its prospects and opportunities for Mizo youth by incorporating the practical applications of resources to the maxim. Promoting the idea of entrepreneurship and its practical viability among the youth is the prime and centered discussion in this webinar. The questions and answers session was very productive. The Webinar was, in fact, resourceful, interesting, challenging, fruitful and informative which we hope and believe to have desirable impacts to all the participants.
