CONTEXT & OUTCOME

Educating the students on career awareness before the completion of their graduation is crucial as they are the most motivated at this age and are at a decisive point of choosing the right direction for their career choices. The workshop aimed at guiding the students to self- assessment, career research and planning. The workshop helped the participants to explore their personality, skills and basic area of interest.

The workshop was divided into Part 1 and 2. Part 1 of the workshop helped the participants explore their personality, skills and the 6 basic areas of interest; realistic, investigative, artistic, social, enterprising and conventional. Part 2 of the workshop focused on the overview of the Mizoram Civil Services.
