CONTEXT

- The Webinar aims to inspire students to pursue a career in Civil Services
- It also aims to instill the spirit of learning in students who are in quarantine and attending online classes due to pandemic
- The webinar aims to freshen the minds of pandemic stricken students and encourage them to learn during the pandemic

OUTCOME

- The webinar resulted in a rather fruitful outcome

- Through listening to the speech of the speaker the attendees are inspired to work towards their goals
- It highly helped students understand actions needed to fulfill their goals
- It ignited the learning spirits of young souls stuck in quarantine and lockdown.
- The interactive sessions with the speaker helped the students in understanding the dedication and hardwork required to become an IAS Officer.
