Context

Enhancing employability of rural youth from socio-economically marginalized communities and promoting inclusive growth is the main aim of the programme.

Providing the beneficiaries exposure to industry needs and making them eligible to take up employment in the corporate sector, government sector, and MSMEs is another focal point.

Ensuring continuous availability of a talent pool for the tech industry and increasing diversity and gender parity To upgrade the quality of curriculum delivery and meet the corporate requirements

Outcome of the Programme

More than 100 students were initially registered for the program. However, 42 students successfully completed the training programme.

Resource persons encouraged the students to realize their true potential and will to achieve it.

Candidates are ensured of support for placement in corporates and industries, or if they wish to pursue an entrepreneurship or higher education.

The program instilled self-confidence and improvement in their personality, communication skills and life skills

Career Guidance and Placement Cell, G.H.B.C, is working together with Tata Consultancy Services (TCS) in conducting a training with the aim of increasing the employable skills among our students.

Orientation on the training will be conducted online via Zoom meet on 12th July, 2022 (Tuesday), 3:00pm . Duration will be approximately half an hour.

About the training:

TCS believes that given the right opportunities and learning skills, even those from socially and economically under-privileged families, will be able to showcase their potential, join the mainstream economy, and shall have a dignified life. The program aims at providing Free Employability Training for the SC/ST and other economically weaker candidates. The program also supports the youth for guiding them for internal (in TCS) and external opportunities for their jobs. We mobilize these youth by partnering with Colleges, Universities, NGOs, Corporate Foundations, Religious Trusts, Government Bodies and Tata Group companies. In terms of geographic reach, the program is currently operating in over 30 states / UTs. Nearly 13,000 have got jobs in TCS. About 10,000 have gained meaningful
